RE: 12 Day Pre-General Report (10/1/10-10/13/10)

Dear Ms. Sugarman:

I am in receipt of your letter dated December 7, 2010 and have investigated the item noted for follow-up.

- 1) Schedule A did contain various contributions from organizations that were not political committees registered with the commission. As a rule when our committee accepts contributions from such groups (mostly unregistered local committees) we confirm with the treasurer of the organization that there are sufficient federally acceptable funds in excess of the contributed amount at the time of contribution. I have amended the FEC 3 report on December 20, 2010 to note that the contributions were made with federally permissible funds.

I apologize for the inadvertent error in the filing. I understand the importance of the filings and will continue to work to ensure that all FEC regulations are followed.

Once again, I apologize for the inconvenience this may cause you.

Should you have any questions regarding this correspondence, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Nancy K. Patzwahl". The signature is fluid and cursive, with the last name being particularly prominent. It is written over the printed name and title of the signatory.
